

HAPPY CHILDREN LEARN BEST!

Security Drills

Over the next half term, the school will be carrying out routine fire, security and lock-down drills. The children will be prepared for this, as we do not want to cause them any alarm.

Year 6 Trip

The Y6 children enjoyed a fantastic trip to the theatre to see Goodnight Mr. Tom. Sana in year 6 had this to say about the production: "It was a great portrayal of the novel by Michelle Magorian. The play was lively and engaging, my favorite character was Zach Wrench, because he was vibrant, had a great personality, played the character well and had great confidence- he was only 11 or 12 years old!" The Year 6 class has produced some excellent work as a result of this trip. **Sana, Year 6**

Spring 2 - this is a very short term, and is definitely action packed - there are several class visits, as well PTA after-school events. Please make sure that you return any slips promptly.

Year 1 have been reading and writing about the Rainbow Fish

The Rainbow fish went to see the Octopus because the Starfish said so. Rainbow fish went to the Wise Octopus because Rainbow fish did not have any friends so the Octopus said "Give every fish one of your glittery scales." **Izabell, Year 1**

Hettie, Y1

Archie, Y1

School Diary

Please refer to the diary on the school website to keep yourself up to date with everything that is going on.

Volunteers

We are always keen to welcome volunteers in to our school. If you would like to offer up some regular time, please let the office staff or Miss Brett-Smith know. We have people who help with reading, art, Forest School, cooking - if you have skills, we would love you to come in and share them. Who knows, it might inspire you to look at a new career in education!

Reminders

- Please check regularly for head lice
- Do not stop on the zig zag lines
- Do not ride on scooters in school grounds
- School club payments are due

Something to think about.....
